## 2014 Term 1 Newsletter

Dear Parents!

We trust that you are well and hope that you have found this 1<sup>st</sup> of term of 2014 to have been a productive and positive one!

Please note that your child's term 1 certificates will be handed out to schools in the first and second week of term 2 at our special event class where **Mr Easter Bunny** will be graduating your for completing term 1. We are asking parents to ensure that their **child's account is paid before schools close on Friday the 28<sup>th</sup> March**. We also want to thank the parents that have paid their fees and for their continued support. Should you have any queries, please contact our office landline (Monday's, Tuesday's and Friday's) or your child's instructor. (All instructor details can be found on our website [www.gymbo-kidz.co.za](http://www.gymbo-kidz.co.za).)

**We have restructured the year's assessments this year. In previous years your child received a report every term, each term having different skills assessed. This year we will be assessing your child in the second and fourth term, with some of the skills assessed in term 2 being re-assessed in the 4<sup>th</sup> term, allowing you as a parent to look back and compare and review your child's progress.**

We are also aware that some parents might have had delays in receiving their child's t-shirts. If you are one of those parents PLEASE notify us if your child's T-shirt has not been received!

Please find a list of this term's skills / lessons covered below:

- **Ball Skills:**
  - following the flight of a moving ball;
  - 2 hand catching ; bounce and catch while standing still
  - ball kicking skills while standing still
